MPE 5537
Oral Presentation

1. Do a search to find four (4) articles, one each on the following topics:
   a. Classroom Management
   b. Instructional Strategies
   c. Motivation
   d. Curriculum Planning

2. Articles must come from three (3) different professional educational periodicals. The following is a recommended list of such periodicals. This is not an exclusive list.
   a. Teaching Elementary Physical Education (TEPE)
   b. Journal of Physical Education, Recreation, and Dance (JOPERD)
   c. Strategies
   d. Research Quarterly for Exercise and Sport
   e. Journal of Teaching Physical Education
   f. The Physical Educator
   g. Educational Leadership
   h. Journal of Research in Childhood Education

3. **Written Requirement**: for each article you select:
   a. Write a critique of the article which includes the following:
      i. The title of the article with proper citation
      ii. The topic of the article (#1 above)
      iii. Relevance to course content
      iv. Relevance to your field observations
   c. Critiques should be *thorough but concise* (1-2 pages type written).
   d. Critiques must be type written, double spaced, 10-12 point font.
   e. Indicate with an * the article you will use for the oral presentation.

4. **Oral Presentation**: Select one (1) article to present to the class. Please include the following:
   a. An original hand-out for each of your colleagues that includes a citation of the article and the significant points of your presentation.
   b. A visual to accompany your presentation (power point, chart, video, photos).
   c. An in-depth review of the article that covers:
      i. Summary of the article
      ii. Relevance to course material
      iii. Practical application
      iv. Personal critique of the article

Presentation should be approximately 10 min. in length and no more than 15 minutes.
